

2005 SYMPOSIUM
Sponsored by the American Academy of Medical Acupuncture

EVALUATION/PROGRAM OBJECTIVES

PRE-SYMPOSIUM WORKSHOP I:
Making Mind-Body Medicine an Integral Part of Your Medical Acupuncture Practice

Physicians attending this workshop will:

- A. Become familiar with the theory and concepts of mind-body medicine.
- B. Achieve an understanding of the central place mind-body medicine holds in the holistic or integrative approach to medicine.
- C. Review and become familiar with the most scientific literature on mind-body medicine to better understand the potential for improving treatment results.
- D. Explore approaches that practitioners can take to integrate mind-body medicine into their acupuncture practice.

1. How well overall did this program meet the objectives?

_____ Excellent _____ Good _____ Fair _____ Poor
